

USA Patriot Act Notice

IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING A NEW ACCOUNT

To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify and record information that identifies each person who opens an account.

What this means for you: When you open an account, we will ask for your name, address, date of birth and other information that will allow us to identify you. We may also ask to see your driver's license or other identifying documents. The Credit Union may also use other methods (for example, obtaining information from a third party) to verify the information provided on the account application.

Are any other family members (parent(s)/guardian(s), siblings, etc.) interested in joining Jeanne D'Arc Credit Union?

- Yes, please forward information to me.
- I am already a Credit Union Member.
- No thank you. No interest at this time.
